1. Travelling

Do you prefer to sit by the window when travelling?

Answer:

Yes, I really favour the window seat when I travel. I can enjoy the changing views outside, which makes long trips far less tedious. It also offers me some privacy away from the busy aisle. The only downside is that it is slightly inconvenient to get to the toilet.

中文翻译:

是的，旅行时我很喜欢靠窗座位。我可以欣赏外面变幻的景色，让漫长旅途不那么枯燥。它也能给我一些远离喧闹过道的私人空间。唯一的缺点就是去洗手间会稍微有点不方便。

Did you have a long journey with your family as a child?

Answer:

Definitely, I went on some long journeys with my family when I was little. We often drove to other cities to visit our relatives, and the rides took quite a long time. We would share snacks and chat to pass the time. Those happy experiences still stand out in my mind.

中文翻译:

Answer：

To some extent I did, though my awareness was fairly limited back then. My parents taught me to sort paper and plastic waste at home. I would separate recyclable items before throwing things away. However, I rarely paid attention to other types of rubbish.

中文翻译：

某种程度上我会，不过那时候我的环保意识还比较有限。父母在家教我把纸张和塑料垃圾分类。扔垃圾之前我会把可回收物分出来。但我很少关注其他种类的垃圾。

Is waste sorting common in your country?

Answer：

Waste-sorting rules have been promoted across many big cities in China. Most residential areas have special bins for different kinds of waste. Still, some people ignore the rules out of laziness. So it is popular but not fully widespread yet.

Is wearing headphones comfortable?

Answer:

The comfort level depends heavily on headphone quality and design. Well-fitted wireless ear-buds feel fine for limited periods. Wearing headphones for hours on end will inevitably lead to ear soreness. So I take regular breaks to protect my hearing.

Are the people friendly in the city?

Answer:

City dwellers are generally polite to strangers. Yet fast-paced urban life makes people keep certain social distance. You can receive help when you are in real trouble. But deep friendships do not form so easily.

城市居民对待陌生人普遍有礼貌。但快节奏都市生活让人们保持一定社交距离。遇到真正的困难你可以得到帮助，但很难轻易建立深厚交情。

Is the city friendly to children and old people?

Answer:

The city provides basic public services for seniors and children. There are kindergartens, hospitals and community activity centres. Even so, during peak hours public facilities can become quite crowded. More improvements are still needed.

这座城市为老人和儿童配备基础公共服务，有幼儿园、医院和社区活动中心。

但高峰时段公共设施会十分拥挤，依旧还有很多可以完善的地方。

Do you often see your neighbors?

Answer：

I run into my neighbours occasionally in elevators or hallways. We will exchange simple greetings. Due to busy daily schedules, we rarely spend extra time chatting with each other.
